SUBJECTS AND NAMES

ABAGLO, POOVI
Using Labels: A Study of Client Preference—May, 218-220
ACCESSIBILITY
Access Rehabilitation Technology Systems Announces New Products—April, 185
Accessible Housing Design Advisory Network Announced—March, 137
Alliance for Technology Access—December, 574
Americans with Disabilities Officially Protected—September, 384
CIB Announces Accessibility Legislation Invitation and Call for Papers—October, 434-436
Coalition for Information Access for Print-Handicapped Readers—May, 231
Commission on Civil Rights Enacts Protective Rules—May, 223
Computer-Oriented Technology for Blind Readers—May, 210-215
The Development of the Descriptive Video Service—December, 503-506
Descriptive Video Service (DVS) Makes Television Accessible—March, 131
Disability Focus Inc., Welcomes Environmental Design Suggestions—November, 483
Dole Foundation Publishes Guide for Employers—December, 577-578
Empowering Visually Impaired People to Access Their Environment—June, 247-249
The Future of Access Technology for Blind and Visually Impaired People—December, 520-523
The Graphical User Interface: Crisis, Danger, and Opportunity—December, 496-502
Housing Questions Answered—September, 384
Innovation in the Workshop—January, 5-7
Junior Ranger-A Program for Visually Impaired Youth—March, 101
Microcomputers and Access Technology in Programs for Teachers of Visually Impaired Students—December, 526-530
Nationaline to Access Service for Sight Impaired Persons—May, 231
Optical Character Recognition—December, 507-509
A Quick Look at the NOMAD: An Audio-Tactile Graphics Processor—September, 383-384
Reading Through Technology: Evolving Methods and Opportunities for Print-handicapped Individuals—December, 493-496
A Review of Optical Character Recognition Systems—May, 221-223
Tactile Orientation Model Designers Receive Award—February, 89
Tactual Environmental Interpretation: A Multisensory Approach—March, 124-125
Technological Solutions for Visually Impaired People in Sweden—December, 513-516
Training Students in Adaptive Computer Technology—December, 523-525
Transportation Department Addresses Accessibility—May, 223
U.S. Sprint Provides Calling Card for Blind Customers—February, 89
The Use of Fax Technology to Address the Reading Needs of Blind and Visually Impaired Persons—December, 509-513
ACCREDITATION
CARF Publishes 1990 Standards Manual—February, 90
NAC Announces Revised Edition of Agency Service Standards—September, 388
ADAPTIVE DEVICES
See also: COMPUTERS; TECHNOLOGY
Access Technology and Counseling Training Programs—March, 130-131
Assistive Technology Handbook Released—June, 338
Assistive Technology Sourcebook—December, 574
Barriers to the Use of Assistive Technology with Children: A Survey—December, 532-533
The Carroll Center for the Blind Ed-Tech Loan Program—December, 573
Consumers' Opinions Sought by Telephone Survey—February, 80
Cooperative Effort Increases Accessibility—October, 428
Current Articles Available from Electronic Industries—February, 80
Developmental Disabilities Technology Database—December, 574
The Effectiveness of Six Insulin Management Devices for Blind Diabetic Persons—September, 365-370
EIA Publishes Assistive Technology Pamphlet—November, 483
EIF/REC Monograph on State Sales Tax Exemption Published—April, 188
The Future of Access Technology for Blind and Visually Impaired People—December, 520-523
Grant to National Council—September, 384
Hearing-vision Project Announced—December, 578
Microcomputers and Access Technology in Programs for Teachers of Visually Impaired Students—December, 526-530
New Toll-Free Service Available—March, 130
The Partnership in Adaptive Computer Technology Course—December, 574
Power Minder Automatically Switches Small Appliances Off—March, 131
Project for Professionals Working with Severely Handicapped Students—March, 131-132
Resource on Computers for Individuals with Disability—December, 574
TACTIC Magazine Now Available in Print—November, 480
Technological Needs of Visually Impaired and Blind Persons in Arkansas—December, 534-538
Training Students in Adaptive Computer Technology—December, 523-525
ADJUSTMENT TO BLINDNESS
See also: PSYCHOLOGY; REHABILITATION
AFB Searches for Blind and Visually Impaired Role Models—November, 483-484
Carroll Center Residential Summer Program—February, 90
The Comprehensive Rehabilitation Center: Perspectives of Clients and Implications for Professionals—April, 177-182
Detours: Biographies of Physically Disabled Achievers Published—June, 339
Effect of Gaze Direction on Evaluation of Visually Impaired Children by Informed Respondents—February, 67-70
Generic Adaptations to Blindness: An Alternative Method of Rehabilitation—April, 151-154
Living with Blindness Seminars—January, 23-25
New Model for Referral of Newly Blind and Visually Impaired Persons in Israel—June, 253-254
Personality Factors Associated with the Decision to Accept or Reject Mobility Training—November, 470-474
Study Identifies Family Support with Low Vision Success—June, 338
Summer Work Experience Program—April, 149
Three Projects for Visually Impaired People, Their Families, and the Community—May, 197-199
The Validity and Clinical Uses of the Pepper Visual Skills for Reading Test—March, 119-123
ADOLESCENT BLIND
Carroll Center Residential Summer Program—February, 90
Maximizing the Independence of Deaf-Blind Teenagers—March, 103-108
NLTS Reports Research on Visually Impaired Youths—December, 580
Paid Summer Work Experience for Rural Blind Youth—February, 77-78
Summer Work Experience Program—April, 149
ADOPTION
Adoption Resource Exchange Recruits Families for Blind Children—May, 231
National Adoption Information Clearinghouse—February, 89
ADVOCACY
See also: CIVIL RIGHTS; LEGISLATION
Consensus Reached by Disabled and Ethnic Actors—March, 136
